

Committee on Mathematics and its Applications

Final Report, 2002–2003

May 23, 2003

The Committee on Mathematics and its Applications met four times during the Fall 2002 Semester, to review job candidate files and discuss candidates for Post Doc and Tenure Track positions.

The committee recommended 3 postdocs and 1 tenure track candidate to the EC.

Members of the committee were: Jeff Erickson (CS), Robert Fossum (Math), George Francis (Math), Albert Hsui (Geol), Sheldon Katz (Math/Physics), Ralf Koetter (ECE), Richard Laugesen (Math), Klara Nahrstedt (CS), Joseph Rosenblatt (Math, ex officio), Mark Short (TAM), Andreas Stein (Math), Michael Stone (Physics).

Respectfully submitted,

Richard Laugesen, *Chairman*
