

**Comments:**

- The use of the following Latex template for the annual activity report is optional.
- If you have no activity to report in a given category, just leave that line blank. Otherwise include as much detail as you think helpful. You may use the lists incorporated in this document by removing the percent sign %.
- Please feel free to extend and to modify this template as needed. For example, feel free to add narrative statements at the top of any or all sections. Feel free to include reprints and preprints.

**Name Goes Here. 2007–2008 Activity Report. Date goes here.**

## **Professional activity**

*Optional:* narrative description of professional activity, research direction and future plans.

### **I. Research**

Brief description of recent research.

#### **Research-based teaching reduction.**

Indicate whether you wish to be considered for a 2+1 teaching load in the academic year 2008–2009. If you qualify automatically, please indicate the reason. If there are any additional facts or supporting documentation that you would like us to be aware of please feel free to attach them.

#### **Publications.**

List papers accepted in the years 2005—present. Indicate the journal. For published papers, please indicate the year of publication.

**Papers accepted in 2008:**

**Papers accepted in 2007:**

**Papers accepted in 2006:**

**Papers accepted in 2005:**

List papers submitted in the years 2005—present which have not yet been accepted. Indicate the date of submission.

**Grant support 2005–present** (give dates and amounts. Indicate whether the grant includes summer salary or graduate student support in 2007 or 2008).

**Grant proposals submitted since last activity report.**

**Talks and conference presentations 2005–present.**

**Other research activities and honors not described above.**

## II. Teaching and advising

**Courses taught**-add comments if appropriate

Spring **2008**

Math 999 (Course Title)

Fall **2007**
