

Survey

Mathematics Graduate School Open House

Thank you for offering to fill out a survey for us on your experiences at the Mathematics Graduate School Open House. We appreciate your feedback, and have made the survey as short as possible.

Please rate the following on a scale of 1 to 7:

How informative did you find your visit? _____
(1 = not informative, 7 = very informative)

How enjoyable did you find your visit? _____
(1 = not enjoyable, 7 = very enjoyable)

How likely were you to enroll at UIUC before your visit? _____
(1 = not likely at all, 7 = definitely would have attended)

How likely are you now to enroll at UIUC? _____
(1 = not likely at all, 7 = definitely will attend)

Free answer:

What characteristics are you looking for in a graduate school?

What aspects of the open house did you find most useful for choosing a graduate school?

What aspects of the open house did you find least useful?

Do you have any suggestions for other activities we might offer in the future?

If you have any other comments, please offer them here!
