

Math 130 E. Information for Final Exam (also available on web).

- (1) Final exam is 8-11 am, Thursday May 13. Locations are based on time of section.

8, 9, 11 am: 180 Bevier
12, 1, 3 pm: 120 Architecture

- (2) Any request for conflict exam must be made by 5 pm on the last day of class. See syllabus for more information on policy for conflict exams.
- (3) The final quiz scores as well as your homework grade will be available for you to check online by Friday, May 7 at 5 pm. Please review your scores and let us know if there any problems with the recorded scores by Tuesday, May 11 at 5 pm. Any updates to these times will be posted on the class web page
<http://www.math.uiuc.edu/~ahlgren/math130/math130.html>
- (4) A list of office hours for all TAs will be posted on the class web page on the last day of class.
- (5) Please remember that the final is worth 300 points (= two midterms). So your final exam grade can have a huge effect on your course grade.
- (6) Approximately 40% of the exam will cover chapter 9.
- (7) The remainder will cover Section 6.4, Chapter 7, and Chapter 10.
- (8) Part of the exam will contain multiple choice questions.
- (9) The exam will be comprehensive and will test your basic understanding of the main topics we have covered this semester. Old exams and quizzes, as well as assigned homework problems, are good sources of material to study.
- (10) When the finals are graded and the final course grades determined we will post an announcement on the class webpage which describes the final curving system used to determine grades.
