

Math 341 Midsemester Feedback.

- Did you find the class trip to the computer lab to use the IODE package useful? Would you like to see more such trips?
- What are your feelings on being asked to work problems in class. Do you find this helpful or not?
- How long does the average homework assignment take you?
- What aspect of the class do you like least?
- What aspect of the class do you like the most?
- In what way would you most like to see the class changed.
