

Accumulated Data including first quiz and first three tests. There are 350 possible points. After the information appears the info for the test given on 11-7-08. The accumulated point totals are more accurate and provide a good approximation of your grade to this point. These totals do not include your discussion section information. Remember that there is another quiz (given in lecture) on Dec. 1 and also the final.

Accumulated points:

| Score   | How many people | Approximate course grade so far |
|---------|-----------------|---------------------------------|
| 300-349 | 11              | A                               |
| 290-299 | 8               | A                               |
| 280-289 | 11              | A-                              |
| 250-279 | 17              | B+                              |
| 240-249 | 10              | B                               |
| 230-239 | 14              | B-                              |
| 220-229 | 17              | C+                              |
| 200-219 | 21              | C                               |
| 180-199 | 17              | C-                              |
| 160-179 | 17              | D+                              |
| 136-159 | 17              | D-                              |
| 4-129   | 16              | F                               |

Data for 11-07-08 test.

There were 100 possible points. The scores were quite disappointing. The approximate grades below are generous. The grading of the final will be much stiffer.

| Score | How many people | Approximate grade |
|-------|-----------------|-------------------|
| 100   | 1               | A                 |
| 90-99 | 5               | A                 |
| 80-89 | 9               | A-                |
| 70-79 | 24              | B+                |
| 60-69 | 20              | B                 |
| 50-59 | 35              | C+                |
| 40-49 | 25              | C                 |
| 30-39 | 31              | C-                |
| 20-29 | 18              | D                 |
| 0-19  | 5               | F                 |
