B+:87-89	B:83-86	B-:80-82

D+:62-64	D:58-61	D-:55-57
F:0-54		

**Quizzes:** There will be an in-class quiz roughly weekly, usually on Thursdays. Practice problems are on the webpage. The lowest two grades will be dropped. No make-up quizzes will be given. If you are sick, etc., quizzes will be excused with a note from the Emergency Dean.

**Exams:** Three "midterm" exams will be given during the semester (dates TBA). Make up exams will not be given except if an absence is approved by the Emergency Dean.

**Other notes:** Practice makes perfect. To do well in this course, the best

thing to do is work problems. I will not allow students to do extra credit projects to boost a grade, since that is unfair to the rest of the class.

If you have special needs, please let me know as soon as possible.

Your comments, criticisms, questions and suggestions will be welcome throughout the semester.
